ESTAR Oxygen Water is TFI's newest response to the dynamically changing needs of our active customers. **ESTAR Oxygen Water** is far more than a way to maintain an optimal hydrobalance of your body. Enriched with **valuable vitamins and 20 times more oxygen** than regular water products.

ESTAR Oxygen Water has been developed based on extensive market research revealing a huge trend in near-water products, as an advanced alternative to regular bottled water. The product is targeted at young and middle-aged people dealing with environmental challenges and searching for peak performance in their activities.

ESTAR Oxygen Water is now available in four amazing flavors up to your choice: **Cherry, Mango&Passion Fruit, Apple&Kiwi and Orange&Lime**. Feel the breathe!

CHERRY

MANGO
PASSIONFRUIT

Fed up with regular water that tastes just like nothing? Searching for a new taste experience while keeping health benefits? **ESTAR Oxygen Water Cherry** is exactly what you need! Full of passion, sun and joy, **ESTAR Oxygen Water Cherry** will cheer you up and enhance your performance. Let yourself indulge and feel very cherry!

Feel like a bit of an exotic touch in your ESTAR beverage? Here it comes, **ESTAR Oxygen Water Mango &Passion Fruit**! Tasting just like summer, **ESTAR Oxygen Water Mango &Passion Fruit** will make you feel fresh and revived. Charge your soul and body with the delicious flavor of your favorite fruits!

All fans of citrus fruits will be amazed by this intensive yet natural flavor of **ESTAR Oxygen Orange&Lime**. Its sweet-sour aroma and fresh color are simply irresistible. Feel the delicious buzz with **ESTAR Oxygen Orange&Lime** – there's nothing better for your spirit and body.

For an ultimate freshness and spring feeling, we have worked out a unique taste formula of **ESTAR Oxygen Water Apple&Kiwi**. Reviving and invigorating, it is a perfect solution for times of thirst and fatigue. **ESTAR Oxygen Apple&Kiwi** will delight your senses and energize your body. Have a sip and get back on the green track!
